WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

BUILT TO MOVE

Great art moves you. Your LEGO® Art set is built to move, too. With five distinct figures, each with their own instructions, you can invite others to join your building party. Display your figures on the color-coded stands, or let them dance from wall to wall, in any order, together or separately.

CONSTRUIT POUR CHANGER

Les grandes œuvres d'art changent nos perceptions. Votre ensemble LEGO® Art est également conçu pour les changer. Grâce aux cinq figures distinctes, chacune avec ses propres instructions, vous pouvez inviter d'autres personnes à prendre part à la construction. Exposez vos figures sur les supports à code couleur, ou laissez-les danser d'un mur à l'autre, dans n'importe quel ordre, ensemble ou séparément.

DISEÑADO PARA MOVERNOS

El verdadero arte te mueve. Tu set LEGO® Art también está diseñado para ponerte en movimiento. Con cinco figuras inconfundibles, cada una con sus propias instrucciones, puedes invitar a otras personas a unirse a tu fiesta de construcción. Coloca las figuras en los soportes codificados por color o deja que bailen de un lugar a otro, en cualquier orden, juntas o por separado.

MAKE YOUR ART POP

To capture Keith Haring's freeform 2D style in 3D LEGO® form, we had to rethink how we use our geometric building grid. The result is five dynamic, standalone characters from Haring's famous pop art piece, recreated in striking LEGO colors. With sideways construction and unexpected angles that make up a fluid, playful effect. We even removed all frames and backgrounds so you can set your art free and let it dance through your house!

DONNEZ VIE À VOTRE ART

Pour reproduire le style 2D libre de Keith Haring sous forme de LEGO® en 3D, nous avons dû repenser la façon dont nous utilisons notre grille de construction géométrique. Le résultat est cinq personnages dynamiques et autonomes de la célèbre œuvre de pop art de Haring, recréés dans des couleurs LEGO saisissantes. Les constructions latérales et les angles inattendus créent un effet fluide et ludique. Nous avons même supprimé tous les cadres et arrière-plans pour que vous puissiez libérer votre art et le laisser danser dans votre maison!

HAZ DE TU ARTE PURO POP

Para reproducir el estilo bidimensional de trazos libres de Keith Haring en el formato LEGO® tridimensional, tuvimos que replantearnos cómo usamos nuestra cuadrícula de construcción geométrica. El resultado: cinco dinámicos personajes independientes de la famosa pieza de arte pop de Haring, recreados en deslumbrantes colores LEGO, mediante la construcción lateral y con ángulos inesperados que producen un efecto fluido y divertido. ¡Incluso quitamos los marcos y los fondos para que puedas dar rienda suelta a tu arte y ponerlo a bailar por toda la casa!
