WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

CREATIVITY IN FULL BLOOM
CRÉATIVITÉ EN PLEINE FLORAISON
CREATIVIDAD EN PLENA FLORACIÓN

Every year, as spring clears a path for new life, dormant tulip bulbs unfurl in bursts of gorgeous color. Deriving from the original Persian word for turban, the tulip's name is likely inspired by the flower's layered petals and a traditional custom of tucking decorative blooms into headwear.

Inspired by more than 3,000 different varieties, we created this vibrant tulip bouquet with five different types of tulips, representing some of the most popular colors in various stages of growth and bloom. Any time you feel your creative side blossoming, you can always find inspiration in the LEGO® Botanicals collection.

Chaque année, alors que le printemps ouvre la voie à une nouvelle vie, les bulbes de tulipes dormantes se déploient dans des explosions de couleurs magnifiques. Dérivant du mot perse original pour *turban*, le nom de la tulipe est probablement inspiré des pétales superposés de la fleur et d'une coutume traditionnelle de cacher des fleurs décoratives dans des coiffures.

Inspirés par plus de 3 000 variétés différentes, nous avons créé ce bouquet vibrant avec cinq types différents de tulipes, représentant certaines des couleurs les plus populaires à différents stades de croissance et de floraison. Chaque fois que vous sentez votre côté créatif fleurir, vous pouvez toujours trouver de l'inspiration dans la collection LEGO® Botanicals.

Cada año, cuando la primavera abre paso al renacer de la vida, los bulbos de tulipán que yacían dormidos despiertan en estallidos de deslumbrantes colores. El nombre de esta flor, cuyo origen se remonta a la palabra persa para *turbante*, probablemente se haya inspirado en la forma de sus pétalos superpuestos, que recuerdan esa antigua tradición de adornar los tocados con flores.

Fascinados por las más de 3000 variedades que existen, creamos este vibrante ramo de tulípanes compuesto por cinco tipos diferentes, reflejo de algunos de los colores más apreciados en distintas etapas de crecimiento y floración. Siempre que sientas que aflora tu lado creativo, encontrarás inspiración en la colección LEGO® Botanicals.

Pour rendre les fleurs encore plus belles, nous avons développé un nouvel élément LEGO® Technic™ : le « connecteur en tube incurvé » entre les tiges et les têtes de fleurs. Cet ensemble en a cinq.

Para que las flores se vean aún mejor, creamos un nuevo elemento LEGO® Technic™: el "conector tubular curvado", que une los tallos con las cabezas de las flores. Este set incluye cinco de ellos.
