Meta Adventurer

Meta Adventurer AI Glasses User Manual

Model: Adventurer
Brand: Meta

Introduction

Welcome to the Meta Adventurer AI Glasses. These smart glasses integrate advanced artificial intelligence with a stylish design, allowing for hands-free interaction, photo and video capture, audio playback, and real-time assistance. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your new Meta Adventurer AI Glasses.

Please read this manual thoroughly before using your device to ensure proper function and longevity.

1. Setup

1.1 Unboxing and Initial Charge

Upon receiving your Meta Adventurer AI Glasses, carefully unbox the device and its accessories. It is recommended to fully charge the glasses before first use.

Your browser does not support the video tag.

1.2 App Installation and Pairing

1. Download the official Meta View app from your smartphone's app store.
2. Open the app and follow the on-screen instructions to create an account or log in.
3. Ensure your Meta Adventurer AI Glasses are charged and powered on.
4. Follow the app's prompts to pair your glasses via Bluetooth. This typically involves pressing a button on the glasses to enter pairing mode.

1.3 Fitting Your Glasses

Proper fit ensures comfort and optimal performance. The Adventurer model features overextension hinges and adjustable temple tips and nose pads for a customized fit.

2. Operating Instructions

2.1 Voice Commands and AI Assistance

Activate your AI assistant by saying "Hey Meta" followed by your command. The glasses are designed to provide in-the-moment tips and information without requiring you to use your phone.

- **Ask Questions:** "Hey Meta, which planets are closest to the Sun?"
- **Translations:** "Hey Meta, start live translation." (Supports over 20 languages)
- **Music Playback:** "Hey Meta, start my birthday playlist." (Connects with Spotify, Apple Music, Audible)

2.2 Photo and Video Capture

The Meta Adventurer AI Glasses feature a built-in camera for hands-free capture of photos and videos up to 3K resolution.

- **Take a Photo:** Say "Hey Meta, take a photo."
- **Record Video:** Say "Hey Meta, record video."

3. Maintenance

3.1 Cleaning Your Glasses

- Use a soft, lint-free cloth (preferably microfiber) to clean the lenses and frames.
- For stubborn smudges, lightly dampen the cloth with water or a lens cleaning solution specifically designed for eyewear.
- Avoid using harsh chemicals, paper towels, or abrasive materials, as these can scratch the lenses or damage the frame finish.

3.2 Battery Care

- Charge your glasses regularly using the provided charging case and cable.
- Avoid extreme temperatures, as they can affect battery life and performance.
- Do not attempt to replace the battery yourself. Contact Meta support for battery-related issues.

3.3 Storage

When not in use, store your Meta Adventurer AI Glasses in their protective charging case to prevent scratches and damage.

4. Troubleshooting

4.1 Common Issues and Solutions

Issue	Solution
Glasses not powering on	Ensure the glasses are fully charged. Place them in the charging case for at least 30 minutes.
Unable to pair with smartphone	Check if Bluetooth is enabled on your phone. Restart both the glasses and your phone. Ensure the glasses are in pairing mode.
Voice commands not responding	Ensure you are speaking clearly and directly towards the glasses. Check microphone settings in the Meta View app. Ensure glasses are connected to the internet via your phone.
Poor audio quality	Check for obstructions around the speakers. Ensure the glasses are positioned correctly on your head. Adjust volume settings in the app.
Camera not recording/taking photos	Check storage space on the glasses via the Meta View app. Ensure proper lighting conditions. Restart the glasses.

4.2 Factory Reset

If issues persist, a factory reset may resolve them. Refer to the Meta View app or Meta's official support website for specific instructions on how to perform a factory reset for your Adventurer AI Glasses.

5. Specifications

5.1 General Specifications

- **Brand:** Meta
- **Model:** Adventurer
- **Manufacturer:** Meta
- **ASIN:** B0H6GVTBFR
- **Number of Items:** 1
